

JULCAR

Fundada en 1981 y ubicada en Burgos (España), en el Polígono de Villalonquéjar, Fundiciones Julcar, está formada por 2 divisiones, Fundiciones Julcar y Julcar Herrajes líderes en sus respectivos sectores que se caracterizan por su notable expansión y crecimiento en los diferentes mercados.

Sus más de 5.085 m² de instalaciones responden a una filosofía empresarial de compromiso permanente con el mejoramiento de las partes integrantes del factor productivo.

Founded in 1981 in Burgos (Spain) in the industrial area of Villalonquéjar, Fundiciones Ju/car has 2 divisions, Fundiciones Ju/car (Foundry) and Ju/car Herrajes (Hardware). Both leaders in their respective sectors, they are characterized by their remarkable expansion and growth in many countries.

The 5.085 m² of facilities respond to a business philosophy of ongoing commitment - always improve our productive resources & keep reaching our client's expectations.

SECTORES SECTORS

La calidad de los fabricados de Fundiciones Julcar es reconocida por los sectores más exigentes de la actividad industrial: Automoción, Electrónica, Ferretería, Baño, Grifería,... etc.

Especializados en la fabricación de piezas de fundición de metales no féreos y de piezas para carpintería metálica, de 5 grs a 2 kgs. Fundiciones Julcar ofrece a su cliente una respuesta integral: Ingeniería, Creación de Utillaje, Fundición, Mecanizado, Tratamiento Térmico y Montaje de Conjunto.

The quality of the parts made by Ju/car is well recognized by the most demanding industrial sectors: Automotive, Electronics, Hardware, Bathroom fittings,... etc.

Specialized in Aluminium & Zamak Die Castings, parts from 2g to 2.5 kgs, Fundiciones Ju/car offers to its customers a Complete Casting Solution: Engineering, Tool/ Making, Casting, Machining, Surface Treatment and Assembly Parts.

MERCADOS MARKETS

Con más de 500 referencias en fabricación, en este momento, Fundiciones Julcar, tiene una presencia internacional importante en varios países de distintos continentes.

Los fabricados por Julcar son productos de alta calidad certificados y homologados por institutos internacionales, reconocidos por múltiples empresas de prestigio a nivel mundial.

Offering an extensive range of products of over 500 references, Fundiciones Julcar has a well-established international presence around the World.

Indeed, Julcar gives a top priority in providing high-quality products certified and approved by international institutes & high quality services.

EN LOS MERCADOS MÁS EXIGENTES IN THE MOST DEMANDING MARKETS

FABRICACIÓN

FABRICATION

Procesos automatizados, tecnología de última generación, equipo humano muy cualificado y una formación permanente del mismo, además del compromiso constante en la mejora del proceso productivo, son los puntos clave sobre los que se sustenta el éxito de Fundiciones Julcar.

Nuestra respuesta integral es una garantía de calidad y servicio, un auténtico valor añadido excelentemente calificado por los clientes de Fundiciones Julcar.

Automated processes, cutting edge technology, high qualified team in addition to the ongoing commitment to improve the production process are the key factors underpinning Julcar's success.

The global solution we offer provides & guarantees an added-value to our customers, an added-value we/1 recognized by them.
